Here's what you'll hear  
when you're trying to neat up  
and come home on a groundslide  
they'll say "don't expect no results  
and you won't be  
disappointed"  
slam on the brakes in  
all the right places  
but don't drag heels  
you wear out your boots

Here's why you'll never shake them:  
in spite of all, they like you  
and you like them  
so best to figure out how to play  
what you been dealt  
yeah?

you want some scores  
now and again, certainly,  
you know there's something going on  
you see them running here and there  
but never hear a score  
ok, tell you the score  
then just forget it  
because it doesn't count  
its 6-0, a shutout  
but you don't let them know that,  
right?

when we rig our ship  
we skip the sails  
no wind there  
but endless water  
on which to drift

WHEN ASKED WHY HE HAD  
Given a Bumbo the Hotfoot,  
St. Dilbert is said to have  
told his boys: "Boys,  
there are some things  
a man does because he  
must; other things  
because he must not.  
Now I ask you, if a man  
must do as he must not,  
does he not as he must do?"  
-then, quickly striking  
a match, he lit 6 hot  
feet at once.
