THE TRUTH: MIKEL was not and will not be a profit-making endeavor. The truth is, Mikel never had enough money to cover his expenses. For example, he owes the Label Company around \$600.00 (not counting the Long Beach stuff); although his dearest friend will eventually clear his debts, I would like to see MIKEL's network contribute. Besides feeling good about giving something back to MIKEL, you will have the added pleasure of getting another newsletter if you contribute. Not only that, if the response is positive enough, we may be able to offer the MIKEL T-SHIRT. Did you see it in LONG BEACH? What do you think?

20th Anniversary Rag

Just like Grandma Moses  
Just like Auld Lang Syne  
Play the change, however strange  
And get it right this time!

It's been a hard haul  
20 as the roon flies.  
When your back's to the wall  
Got to play it as it lies

Let there be music, dance and the beating of drum  
Drop whatever you're doing and come on the run  
Twenty years later the groove is just starting to click  
It's all variations on some impossible lick

Some hear Uncle John's Band  
Dancing to the years  
Some along as go alone  
Like an asulanehe or a rolling stone

Wave that flag!  
Wave it while you can  
Long as you keep coming  
You got a band

Thanks for 20 years of being  
an audience which is the envy  
of every other rock and roll band alive.  
Fuck 'em if they can't take a joke!  
Write if you get work.  
Source changed!
