PG. 118 American Field Service

American Field Service

American Field Service is an organization aimed at improving international relations through exchange students visiting our nation and living with us and by having Blair students

visit foreign nations. This year James Blair had a student from Sweden, Anders Vikstrom who brought many new and different ideas with him.

Chess Club

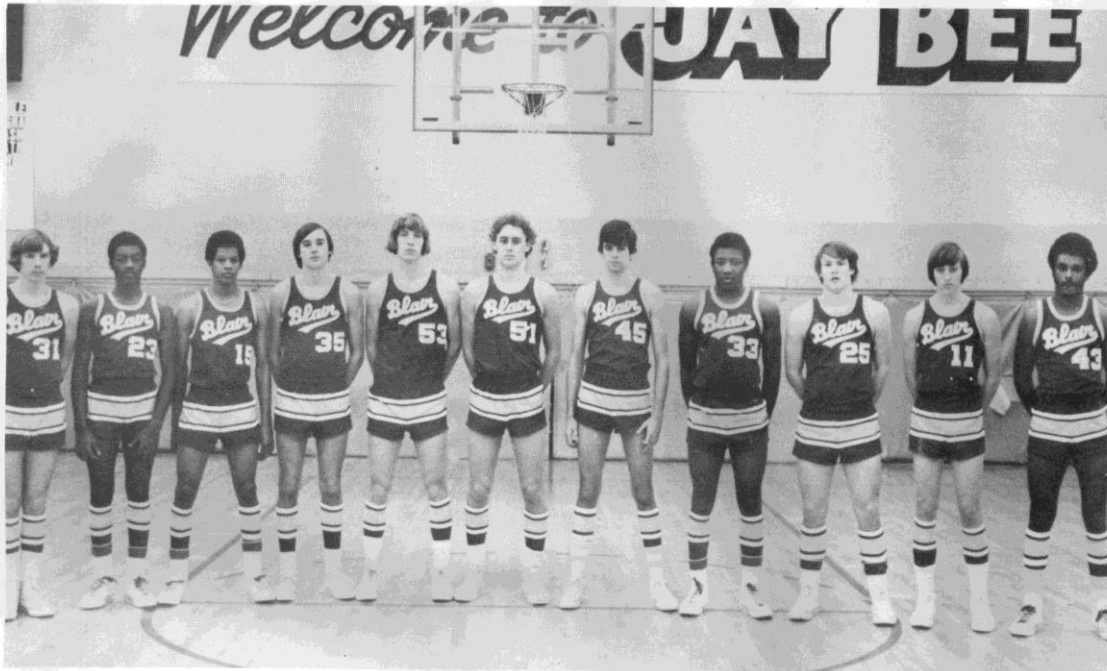

A chess club was formally organized this year and was sponsored by Mr. Ryland. The membership was open to all sophomores, juniors, and seniors who wanted to learn and master the

game. Suddenly, chess boards popped up all over the school and students spent many hours playing chess.
