RADIO GUILD ON KSRO BI-MONTHLY

"Time Out for Teens" was put on the air for the first time this year, November 8, by the members of MHS Radio Guild. The show was broadcast weekly, Saturday mornings over KSRO. The MHS group alternated with SRHS, one high school putting it on one week, the other the next. Records, jokes, and teen-age news were featured with the interest of the teen-ager at heart.

DANCE BAND UNIQUE CLASS

Unique in that it gives its members experience in an actual professional sense, the Dance Band, led by Mr. Alphonse Schmalz and composed of fifteen Band and Orchestra members, met after school three days a week throughout the year. The group played at meetings of organizations, such as the PTA, and performed the finale at the spring concert. Members received five units of credit and a wealth of practical experience.

ORCHESTRA PLAYS AT SCHOOL PROGRAMS

Playing F. Humperdink's "Prayer and Dream Pantomime," under the direction of Mr. Elmont Lane, the Orchestra opened the first Christmas program put on by the music, drama, and physical education departments December 18 and 19. It also accompanied the dancers and the choral groups throughout the program. The orchestra played "Jesu, Joy of Man's Desiring," "The Pearl Fishers Overture," and "Midnight Beguine" as selections for the spring musical in March and participated in the County Music Festival in May.
