THIS IS THE MOTTO which the members of this society follow. There are two main aims of the society. These are (1) "to establish and advance standards of excellence in all phases of dramatic arts" and (2) "to create an active and intelligent interest in dramatic arts among boys and girls in the high schools."

The society was established early in the spring of 1929 at Fairmont State College, Fairmont, West Virginia, by a group of interested teachers who wanted to improve dramatic arts in the secondary schools.

# Girls' League

With a membership which includes every girl registered at Springfield High, the Girls' League has more than kept its 600 members entertained and busy with a host of activities including social events, service projects, conferences and services to individual girls.

Traditional social events included the Big and Little Sister party which began with a pot luck supper and ended with a style show, frolic, and dancing in the gym, a winter party, Frosty Fantasy; Merry Maids of March at which girls entertained their mothers and women friends with original skits, costume parade and refreshments; teas; Print and Cordance sponsored jointly with Boys' Alliance, and a gala Senior breakfast at which time a cup is always awarded to

THE GIRLS' LEAGUE COUNCIL busies itself with the Girls' League Scrapbook.

the girl voted by all girls and women teachers to be most outstanding. The Girls' League Scholarship and other awards are also made at the breakfast.

Service was given in a number of projects for community and Junior Red Cross and in maintaining a Lost and Found Department for students and a Girls' League room where sick girls are cared for and committee and council meetings held.

Girls' League meetings, held once a month, offered a variety of interesting programs both entertaining and instructive. Awards were made each month to girls selected as "Girls-of-the-month" for their cooperation, service, friendliness, citizenship, and other fine qualities.

### Seniors On the Miller Wrestling Squad

LEFT: Richard Nice, who has the best build on the team, did very well during his first year of wrestling. He took third in District 6 and went to the state meet. Dick wrestles in the 122 weight.

RIGHT, ABOVE: Paul Preppernau was one of the returning seniors. Although he didn't go to the state meet, he had a very successful season. Paul wrestles in the 168 weight. RIGHT, BELOW: Dick "Spider" Fountain is a very elusive, well-trained wrestler. He also had quite a successful season, wrestling in the 122 weight.

LEFT: Ken Kesey, the "Hooded Terror", was perhaps just what the name indicates. Ken took third in District 6, first in Big Six, and third in State. He won 17 out of 20 matches during the season and wrestles in the 178 class.
