LUTES AND FLUTES

THE Lawrence Band emerged from its wraps last fall fresh from its victory at the New York State Competitions. In preparation for the competitions, the band members put in much hard work individually and as a group. They were granted a 3-A rating by the state officials in addition to written commendation from the State Education Department.

Our band upheld its tradition of performing during half-times throughout the football season. These exciting performances height-

ened the school spirit at the games and rendered them more enjoyable.

By placing an unusually high percentage of musicians in the Fall County Music Festivals, the name of Lawrence was talked of in Long Island's music circles. During the long winter months the social season began, along with plans for the coming elections, concerts, parades, and competitions. Winter, fall, and spring, the band kept active to liven up our school year.

The annual dance was the best ever, with
